

## LIVING DECO 2007

### **DECORATIVE HELP ON THE NET.**

"**You give me your plan**, I give you my office and ... the benefit to you". It's that direct and enthusiastic is the motto with which the experienced decorator Lola Lago greets visitors of [www.interioresparatodos.com](http://www.interioresparatodos.com) .

"This is a page designed with a clear commitment to service, for young people accessing to their first apartment, houses especially difficult to distribute, families with problems of space ..." says Lago, decorator that "grows" in these difficult scenarios .

Her proposals include homes, workplaces and housing-office, with or without plan, since her website also includes instructions teaching practices to make them. In about 15 days at most, the project is in your hands. The cost of this service: 1 € por/m<sup>2</sup>. (Minimum of 90 €).
